

2023 Virtual Nutrient Management Training for Farmers

The Nutrient and Pest Management Program (University of Wisconsin-Madison) is offering a virtual training for farmers interested in writing their own nutrient management plans. This training provides both the basics of nutrient management and an introduction to SnapPlus. The same training will be offered on 5 different dates:

- ☐ January 9 (Monday) ☐ February 7 (Tuesday)
☐ February 28 (Tuesday) ☐ March 7 (Tuesday) ☐ March 28 (Tuesday)

Please register online at least three days in advance of the training date you plan to attend:
