

Livestock Carcass Composting Field Day

August 8, 2023

9 A.M.-11 A.M.

West of N4991 Spoerry Road

Monticello, WI 53570

**Come learn about how to compost your dead livestock into
an usable fertilizer to use on your land!**

**This process can be implemented into ANY livestock
operation big or small, and can be used for any size livestock.**
