

Cover Crop Cost-Share Program

More than \$3.5 million in direct payments are available to farmers in Minnesota, South Dakota, and Wisconsin. We'll have a relatively short time to enroll producers, so sign up now to reserve your funding, or connect with your state's soil health specialist below for more information!

- \$35/acre
- 1-year contract
- Acres are eligible regardless of cover crop history
- 2,000-acre cap per farm entity
- Stackable with many state and local programs
- Guided enrollment and verification support
- Year-round, farmer-led technical assistance
